Dear Freind:

It was so niot to get your letter. You can see by this envelope, I had addressed it to you a long time ago, and had not written you yet, because I did not know what was what.

Well Abe is south with the team. They are shaping up pretty good. We still need another catcher outfielder and could use some pitchers, but who cant.

Last year we did very little traveling, due to the fact we could not use the buses. As a result we were idle most of the time. I decided I could not afford to do this this time, so I am planning to come west if you folks will have me. Right now I am trying to arrange a trip with Pompey, from June 5th to 15th. I will let you know how it works out in a few days. May 28th we are home and June 4th in Baltimore, so I could not come west for that week.

Had you planned to come east at all this year? If so let me know, as we might be able to arrange a date in Newark.

Please let me hear from you again soon. I will keep in touch with you.

Very Truly Yours
